- I confirm my pets have no history of aggression that would pose a danger to people, other animals, or property unless disclosed in writing.
- I understand that 2 Hearts Pet Sitting reserves the right to refuse or discontinue services if a pet displays unsafe or aggressive behavior.

Veterinary Care & Emergencies

Vaccinations & Parasite Prevention

- I understand that all pets are required by New York State law to have up-to-date rabies vaccinations, unless a veterinarian provides a written exemption. Proof of vaccination may be requested.
- Dogs who regularly attend dog parks, daycares, groomers, or other high-contact environments are strongly encouraged to also have the Bordetella (kennel cough) vaccine to reduce the risk of illness.
- Cats are also required to have up-to-date rabies vaccinations or a valid titer result.
- I agree that all pets must be free of fleas and ticks prior to services. If fleas or ticks are discovered, treatment may be administered at the owner's expense.

Risks & Safety

- I understand there are inherent risks in pet care and walking, including but not limited to: illness, injury, accidental escape, exposure to outdoor conditions, interactions with other animals, and unforeseen emergencies.
- I agree that 2 Hearts Pet Sitting will take all reasonable precautions to safeguard my pets but cannot be held responsible for events beyond their control.
- I understand that outdoor activities may be shortened, modified, or canceled in cases of extreme weather, unsafe conditions, or if deemed in my pet's best interest.
- I acknowledge and accept that my pet(s) may travel in the vehicle of 2 Hearts Pet Sitting if this service is agreed upon in advance or discussed for the purposes of transportation, including veterinary care, grooming, exercise, pickup and drop-off, or other appointments. I understand that 2 Hearts Pet Sitting will take all reasonable precautions to ensure my pet's safety and comfort during travel.
